*Reply
The question of the
inclusion of the
Inspector of Schools
Kolar District
has been given at
the 25/11/92*

* 1911 remains at School for more than a year after
the 1911 Primary Examination, whereas the
time required to go up for the above said Exat
period of 2 years. This is found to be due to the
over to of the generality of students.

2. I therefore beg leave to propose that, from any
available sources, if 4 or 5 scholarships of at least Rs 2
each per month be sanctioned, an attempt may be made
to induce some of the students to remain longer in school.
If the Deputy Commissioner is pleased to accede to the
proposal laid before him, and sanction from any available
source a few scholarships, the Deputy Inspector will feel
thankful and try his utmost to show some tangible good
results of the working of the Hindustani School above
referred to.
